

Yard Waste Composting

Yard Waste

Pumpkins should be placed out with yard waste for collection!

Leaf and Yard waste is scheduled for **24 collections per year**, generally between April and the beginning of December.

Yard waste (plant waste, trimmings & leaves) should be placed out in kraft paper yard waste bags or rigid open-top reusable containers.

Plastic bags will not be collected. Grass clippings will not be collected, leave them on your lawn.

Brush collection is limited to 3 securely tied bundles no longer than 1 metre. Branches not to exceed 75 mm (3 inches) in diameter.

Christmas trees are to be composted. Simply remove all decorations, wire and tinsel from your tree. Trees set out in plastic bags will not be collected. There are 2 scheduled collections in January.

See photo on back cover for proper set out along the curb.

Look for these symbols on your waste collection days

Yard waste and  **Christmas tree** collection days are scheduled as shown by these symbols. Remember yard waste is collected on your regular waste collection day. Check the schedule.
